## CARE AND MAINTENANCE

Royal Designer Shake is a low maintenance siding. Nevertheless, it will become dirty as will any product exposed to the weather. Chalk may also accumulate on the surface, which is a normal condition for any pigmented material exposed to the elements. Periodic washing with a soft bristle brush and water may be needed.

Any unauthorized repairs, additions or alterations to Royal Designer Shake may void this warranty.

Note: After cleaning, the entire siding surface should be thoroughly rinsed with clean water. Avoid prolonged or high pressure rinsing.

## IMPORTANT: FIRE SAFETY INFORMATION

Royal Designer Shake is made from organic materials that when exposed to significant heat or flame, the panels will soften, sag, melt or burn, and may thereby expose material underneath. Care must be exercised when selecting underlayment materials because many underlayment materials are made from organic materials that are combustible. You should ascertain the fire properties of underlayment materials prior to installation. All building materials should be installed in accordance with local, state and federal building code and fire regulations.

which will cause any colored or painted surface to fade, darken, chalk, or acquire a surface accumulation of dirt or stains. The severity of these conditions depends on air quality, the geographic location of the Property, and other local conditions over which Royal has no control. Royal warrants this product against excess fade beyond normal weathering caused by a manufacturing defect, which occurs within eight (8) years after the date of completed installation and is reported to Royal. Excess fade is defined by a change in color greater than four (4) Hunter units as calculated according to ASTM D2244.

This limited warranty may be transferred to subsequent owners of the Property, provided Royal receives written notice, in the form set forth herein, within thirty (30) days of the transfer of the Property. Failure to do so shall result in the termination of any obligations on the part of Royal. Should notice of a transfer be correctly and promptly effected, the warranty period shall be for fifty (50) years from the date of original installation.

Should you feel that Products contain manufacturing defects, promptly write to the Customer Service Department, Royal Building Products, 91 Royal Group Crescent, Woodbridge, Ontario, Canada, L4H 1X9, describe the claimed defect and provide proof of ownership of the Property. Do not undertake repairs without receiving advice from Royal, as improper repair work may aggravate the problem. Upon receipt of your letter, Royal will notify you of the evidence you will need to support your claim. Should Royal determine that your claim is valid, the defective part or parts, including materials and labor, will be repaired, refinished or replaced in accordance with the Warranty Protection Schedule hereto.

In lieu of repair, restoration or replacement, Royal reserves the right to refund that amount paid by the original purchaser for the Products together with the costs of the original installation.

Royal reserves the right to discontinue or change any of its products, including colors. In the event of such discontinuance or change, Royal reserves the right, at its sole discretion, to substitute a product that is of equal quality or price.

THIS WARRANTY IS GIVEN IN LIEU OF ALL OTHER WARRANTIES, LIABILITIES OR OBLIGATIONS OF ROYAL, EITHER EXPRESSED OR IMPLIED, EXCEPT THAT THE DURATION OF ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED IN TIME TO THE DURATION OF THIS WARRANTY. ROYAL SHALL IN NO EVENT BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL OR SPECIAL DAMAGES OF ANY KIND FOR BREACH OF ANY EXPRESS, WRITTEN OR ORAL OR IMPLIED WARRANTY ON PRODUCTS. YOUR EXCLUSIVE REMEDY SHALL BE ENFORCEMENT OF THIS WARRANTY UPON THE TERMS AND CONDITIONS HEREIN CONTAINED. NO REPRESENTATIVE OF ROYAL OR ITS DISTRIBUTORS OR DEALERS IS AUTHORIZED TO MAKE ANY CHANGE OR MODIFICATION TO THIS WARRANTY.
